DUNNINGTON PARISH COUNCIL

Clerk: Mrs Jessica Bedford 15 Wistowgate, Cawood, Selby, YO8 3SH

Tel: 07562 333508. Email: parish.clerk@dunningtonparishcouncil.gov.uk

Chairman: Cllr Gill Shaw

Minutes of the meeting of Dunnington Parish Council held on the 11th July 2022 at 7.30pm in the Tower Room, St Nicholas Church, Church Street, Dunnington

Present: Cllr Shaw (Chairman), Cllr Ruston, Cllr Brooks, Cllr Jackson, Cllr Rees-Gay, Cllr Adair, Cllr Dykes, Cllr Swallow, Cllr Turnbull and the Clerk

Ward Cllr M Warters attended.

109 FORMALITIES

109.1 To receive apologies for absence given in advance of the meeting Apologies were received from Cllr Maggs , Cllr Thompson, and Cllr Ford

Apologies were also received from Ward Cllr M Rowley 109.2 To consider the approval of reasons for absence

It was resolved to approve the reasons for absence

109.3 To receive and approve the Minutes of the Parish Council meeting held on the 13th June 2022

It was resolved to approve the Minutes of the Parish Council meeting held on the 13th June 2022

109.4 To receive any declarations of interest under the Parish Council Code of Conduct or Members register of interests

Cllr Brooks declared an interest in item 115.3 and a personal interest in item 116

Cllr Dykes declared an interest in item 115.3 but holds a current valid dispensation

109.5 To consider any written dispensation requests received by the Proper Officer None were received

110 EXCLUSION OF PRESS AND PUBLIC

The Parish Council resolved to exclude the press and public from agenda item 115.2

111 HEAD OF HIGHWAYS & TRANSPORT – CITY OF YORK COUNCIL

The Parish Council received an update from Dave Atkinson, Head of Highways & Transport in five ongoing Parish Council areas.

1. Eastfield Lane junction

Mr Atkinson mentioned the option of stopping access onto the A166 with the exclusion of agricultural traffic using camera technology and a fine system but stated that it would be expensive and hard to distinguish between vehicle type.

The suggestion of a lockable gate with allocated key holders was put to him but he felt that this scenario would be hard to administer especially for emergency vehicles. He suggested that the same could be done as at Holtby Parish but then no traffic at all could come through.

Mr Atkinson stated he was happy to receive further representations Cllr Dykes proposed that the Parish Council discusses the locked gate solution further with local farmers.

2. Cycle path – York Road

The cycle path and speed limit issues were raised to Mr Atkinson.

Mr Atkinson stated that previous proposals were drawn up for cycle lanes and speed limiting that would cost £200,000.00 to £300,000.00. City of York Council are creating a cycle and walking infrastructure plan in September 2022 which will cover the whole city and allow City of York Council to prioritise where the gaps are. He proposed to look at it then which would allow him to increase its priority level for 2023. He mentioned that it should be September or October 2022 this year when he can present the suggestion of the connecting cycle/walking path addition.

He advised that he could look at speed limits as part of the annual review. This year the review will be conducted in two batches.

Mr Atkinson mentioned the Active travel fund from central government that will allow a level playing field to each area as none has been prioritised (including the city centre). He advised that the best approach is for the Parish Council to be involved at the time of the process. Details will be circulated to all Parish Councils.

3. Speed reductions on York Road and A1079

Mr Atkinson was questioned about the feasibility of a 20mph zone along York Street. His advice was that the Parish Council could present a petition through the City of York website and that it needs to be incorporated into the Parish Neighbourhood Plan. City of York Council would respond to a petition in September/October time and may or may not have proposals by then. It would then need to go through a consultation process (no timescales were given for that element of the process)

Mr Atkinson informed the meeting that the speed limit had been to decision session in June, and they had asked to further consult the Parish Council on an alteration from the Highways assessment. This would be done through a formal consultation process.

Following questions from the Parish Councillors on the area for speed limiting he advised that if he received a subsequent representation for extending the limit then it would have to go back to the decision session.

Cllr Dykes advised that the relevant section was in relation to a 100-metre stretch and that was what the Parish Council had advised was their preference in March 2021. He stated that it was frustrating that this would have to go back

to a decision session when the Parish Councils proposal had not changed. Cllr Dykes also raised that feedback from City of York is not received.

Mr Atkinson discussed safety issues when reducing speed limits and that they can cause more issues or delays. He advised that he will seek to improve the way work is dealt with through the system. From 23/24 financial year he plans to put in place a four-year Highways plan so that all Parish Councils are more aware when they need to make representations and to create more transparency overall. It will be a four-year version of the current highways maintenance plan.

It was resolved that Cllr Dykes will write to Mr Atkinson again which will be taken as a formal representation and included in the September/October round of reviews.

4. Road alterations outside the playpark

Mr Atkinson informed that he met with Greg in July 2021 regarding renewing the road markings outside the playpark. He advised that Greg will be picking this up again for action.

5. Public rights of way matters

Mr Atkinson noted the Parish Councils concerns that the feedback is good, but that action is not.

He informed the Parish Council that it is a specialised area and that they have been short on resourcing.

He is putting a practical plan in place which will detail what will actually be done rather than be of an aspirational nature.

Mr Atkinson acknowledged that no matter what it is called, the Parish Council and residents just want to see some action.

Cllr Rees-Gay raised a recent road traffic accident on Church Lane/York Road. It was resolved to task the Highways Group with creating some proposals on additional safety measures at the junction to present to the Parish Council. Mr Atkinson stated that he would be happy to attend meetings of the Highways Group

112 **COMMUNITY SAFETY UNIT – CITY OF YORK COUNCIL**

Jane Mowat, Head of community safety, City of York Council apologised that it has taken her so long to attend a Parish Council meeting.

She advised that she had requested that Tracey Carter from the housing department attend too but unfortunately, she had not received a response. Jane Mowat advised that her department deals with high level anti-social behaviour and is made up of nine Neighbourhood enforcement officers.

Unauthorised encampment - A166

Jane Mowat advised that the normal process would be that once an illegal encampment arrives then a direction to leave is issued within a 48-hour period. If that isn't complied with then the issue goes to court and if granted the notice, then City of York Council would send bailiffs to site to remove. In the situation of the unauthorised encampment on the A166 the following details were given:

The encampment had previously been evicted from a local site and had subsequently moved location constantly. City of York Council had started to look at an injunction which would give them more authority in dealing with the encampment. At that time covid hit meaning that encampments could not legally be moved, and that Councils had welfare responsibilities such as providing water, waste and sanitary provisions.

As covid restrictions began to be lifted Jane Mowat began to look at what action could be taken in conjunction with the housing department. She stated that there are several issues affecting the encampments removal for example unroadworthy vehicles and that she cannot see an easy solution. In a previous court case, the judge implied that City of York Council have a responsibility as they made the encampment homeless by the eviction from the permanent site. That not enough support was previously given and that any further prosecution would need to be mindful of that of when proceeding. Parish Councillors questioned why the Police could not action any removal as the location is on the highway. Jane Mowat advised that North Yorkshire Police have previously attended with City of York Council but stated that NYP did not have much appetite to help City of York Council and seemed reluctant to use their new powers.

Jane Mowat will be holding a meeting next week with portfolio holders, corporate managers and Cllr Craghill in which she is hoping to get a decision to make a direction to leave.

She is also hoping to meet with York Travellers Trust to ask them to assist City of York Council and provide support in a move.

The Parish Council was informed of several options that Jane Mowat is working towards in supporting the move of the encampment.

Concerns were raised by the Parish Council about any possibility of the encampment becoming a permanent site by default due to the length of time it has resided there. Jane Mowat reassured the Parish Council that she has worked with the legal department to ensure that cannot happen.

Her plan is to try and support a relocation but if that isn't possible then a direction to leave will be issued. She proposed to give 3 months notice to leave before applying for the direction to leave due to the courts unfavourable view at the last case.

Untaxed and uninsured vehicles driving round the Parish was raised. Jane Mowat advised that she pick that up with Superintendent Khan when she meets him next week.

Jane Mowat could not answer questions regarding the original eviction from a permanent site as that falls under the housing department. She advised that she had requested that they attend but had received no reply.

Ward Cllr Warters suggested that the Parish Council put in a formal complaint regarding the housing departments reluctance to attend.

Jane Mowat informed the meeting that she is currently working towards cooperation with the housing department to agree an effective solution. James Gilchrist and Dave Atkinson at highways are already discussing prevention measures to ensure another encampment cannot locate in the layby after its removal.

Water and sanitary provisions have been removed. Waste collections are still continuing to prevent the encampment becoming out of control.

A paper went to corporate managers last week detailing the options for removal. It will then proceed to executive level.

Jane Mowat advised that she will send the Parish Council regular updates. She will try to attend the September meeting but if that is not possible, she will send a written report.

Cllr Turnbull suggested that a request be made for a housing department representative to attend the September meeting. Tracy Carter was suggested. Cllr Jackson proposed that the Chairman draft a complaint regarding their lack of attendance.

Paul Morrison, Community Safety Manager introduced himself to the Parish Council. He advised that he works with the housing department on their behalf. Due to confidentiality, there would be limits to the information he would be able to give.

In relation to ongoing issues at Cherry Tree Court he explained that there are allegations and counter allegations received by his department and there is not always the evidence to pinpoint the details which makes his actions limited. He explained that the kinds of sanctions his department would be considering are things like eviction so they need to consider if their actions are proportionate and how a court would consider them.

Paul Morrison advised that mediation has previously been looked at but was unsuccessful at resolving the issue.

He advised that any third-party statements would be helpful as independent evidence.

The Parish Council raised that NYP offered video doorbells, but housing would not allow them. Paul Morrison explained that as they would video communal areas there were GDPR issues and ICO compliance details within tenancy agreements that prevented them authorising installation. He advised that they are reviewing the policies at the moment.

He advised that he would be happy to attend the Parish Council meeting in September and asked that his email be included within the minutes should any resident wish to contact him (paul.morrison@york.gov.uk)

The Parish Council questioned who regularly checks or visits the properties. Paul Morrison advised that it was not housing but his team that is responsible. The community safety unit act as estate manager on behalf of housing at the moment for Cherry Tree Court.

113 PUBLIC PARTICIPATION

A member of the public spoke about item 116 and how City of York Council are not maintaining the grass, as agreed, within St Nicholas Churchyard or responding to the Church's contact.

114 POLICING

Junes report from NYP was noted but contained no incidents

115 COMMITTEES/WORKING GROUPS

115.1 To consider the cemetery group terms of reference

It was resolved to amend the terms of reference to add in additional details e.g. quorum clarification and represent the document at Septembers Parish Council meeting

115.2 To discuss and consider guidance document on Operation London Bridge (press and public excluded)

It was resolved to delegate the matter to the communications group to prepare a plan for presentation at the September Parish Council meeting

115.3 To consider requesting an update from the Bull Balks owners regarding the proposed sale.

It was resolved that the Parish Clerk will reiterate previous answers.

116 CHURCHYARD – ST NICHOLAS CHURCH

It was resolved that the Parish Council will send a letter to City of York Council in support of St Nicholas Church's current churchyard maintenance issues. After discussion, It was resolved that the Parish Council will not take over the churchyard maintenance from City of York Council.

117 WI TREE REQUEST

It was resolved that Cllr Turnbull will discuss a suitable location and native tree with the WI

118 YORK LOCAL PLAN

The Parish Council received an update that Cllr Dykes will be speaking within the phase 3 hearings week commencing 25th July.

It was resolved that Cllr Dykes will send a draft script to the planning and communications group for assessment and any required amendment suggestions. A request was made for an urgent response to the draft script due to the short timescale.

It was resolved that Cllr Dykes will circulate a report to all members after the hearing.

119 PARKING ON GRASS VERGES

It was resolved that the communication group will prepare an article regarding considerate parking (to include pavement parking as well as verges) that will be placed within the grapevine magazine.

It was resolved that the Parish Clerk will send letters out to persistent offenders

120 FINANCE AND CORRESPONDENCE

- 120.1 It was resolved to approve the payments presented for authorisation (Appendix 1)
- 120.2 The receipts and payment reports presented for June was noted (Appendix 2)
- 120.3 It was resolved to approve the VAT reclaim for quarter 1 (Appendix 3)
- 120.4 It was resolved to approve the bank reconciliation for May and June (Appendix 4)
- 120.5 The net position to 30th June 2022 was noted (Appendix 5)
- 120.6 The statement of reserves was noted (Appendix 6)

121 CORRESPONDENCE

Several resident communications were noted.

It was resolved that the Parish Council will respond to highways related communications with an update from this meeting
