

Local and independent food outlets near you

This is a list of the local food businesses we know that are open and delivering in York. It is accurate as we print on Friday 17 April, but please bear in mind that things can change quickly.

The internet is the best source of up-to-date information. If you can, try the company's website or social media pages or your local facebook community for information. Local media are promoting businesses with free advertising. We've sponsored an online directory of all the York businesses which are still operating at www.yorkmix.com/yorkbiz

If you are facing financial hardship, or if you need help and are not getting any from the council, NHS or family members, please call us 7 days a week on 01904 551550 or email covid19help@york.gov.uk
