Friday 11th July 2025

Mrs Sophie Durham
Clerk to Dunnington Parish Council
The Reading Rooms
Church Street
Dunnington, York
YO19 5PW

Dear Sophie,

Sorry for the lateness of this letter. Just a quick note to thank you on behalf of myself, and the Lady Mayoress for inviting us to the Dunnington Street Party and Fair last Saturday. We were impressed with the organisation and layout of the fair, and the wide range of stalls and participants. Although we had to leave early, we did manage to spend some time in the Reading Rooms listening to the York RI Development Band. Please do pass on our thanks to the Parish Council, and in particular to Zoe and her team for all their sterling efforts. We look forward to future events in the village, and offer our support in any way we can to the Parish Council and the wider community.

Warmest Regards

Councillor Martin Rowley BEM
